

THIS PAGE: In the kitchen, interior designer Vanessa Stark incorporated a black cabinet wall, installed by Pacific Rim Cabinets. An extra-large Silestone kitchen island suits the client's busy lifestyle, illuminated by Tom Dixon's bronze pendant lights. Kolbe sliding glass doors admit natural light into the space and onto the Paulig rug, which was purchased through Salari Fine Carpets. **OPPOSITE:** The home's original brick fireplace was updated with Benjamin Moore's Space Black paint. Blu Dot's Toro lounge chair softens its imposing façade. »

Heritage of a Home

Symmetrical layouts, brass accents, and muted colors create a restrained yet inviting interior.

CLOCKWISE FROM ABOVE: Anne Saks tiles and Ames Tile white marble inform the bathroom's dramatic color palette, which is enhanced by Kohler and Aquabrass fixtures. An addition along the home's north and east sides made room for a master bathroom and bedroom, where the bed features a custom headboard by Fabulous Furnishings. Pacific Rim Cabinets designed the bedside tables and all the bathroom millwork. ✱
